

FUNDRAISING & AWARENESS EVENTS

Many of our generous supporters have made a difference by organizing events in their community.

These events allow individuals to raise funds in honor or in memory of their loved ones, while raising awareness about the importance of organ and tissue donation and transplantation.

Here are just a few examples of popular fundraising and awareness events:

Facebook Fundraising

Start a fundraiser on your Facebook page in celebration of a special milestone, anniversary or birthday.

Birthday and Anniversary Celebrations

Collect contributions in lieu of gifts - now that's a gift that really makes a difference!

"Dine Out to Donate" Events

Organize a dining event at a local restaurant that will contribute a percentage of the evening's revenue. Choose someplace local so friends and family can easily get there.

***Participating chain restaurants include, but are not limited to:**
Panera Bread, Texas Roadhouse, Buffalo Wild Wings, Applebee's, Chipotle Mexican Grill, Chevys Fresh Mex and Houlihan's.

Auctions and Tricky Trays

Host an auction or tricky tray event. Tricky trays can be a stand-alone event, or they can be part of something larger. Either way, they are a great fundraiser!

Sporting Events

Host a golf outing, bowling, dodgeball, hockey game. This is also a great opportunity to host an auction or tricky tray.

Concerts and Shows

Host a concert or comedy show. Sell tickets, show up and have fun!

Classes for Charity

Get your friends, family and colleagues together for a yoga, kickboxing, art, or paint and sip class. The possibilities are endless!

Merchandise Sales Events

Organize a jewelry, Pampered Chef, pocketbook party, Yankee Candle sale, 5K team apparel sale or a bake sale, and contribute the proceeds. Shop your way to success.

Dress Down Day

Allow participants at your office or school to wear casual attire for the day by making a contribution.
