

Virtual Fundraising & Awareness Ideas

Fundraising and bringing awareness to organ and tissue donation can still be simple and fun in this new virtual environment!

HOLD A TAKE OUT NIGHT

Partner with your favorite local restaurant that will contribute a percentage of a day's orders. Support small businesses and our life-saving mission!

HOST A VIRTUAL CLASS OR EVENT

Invite your family and friends to participate and encourage contributions. Get creative! Ideas include:

- Bingo, trivia or game night
 - Jewelry or Tupperware parties
 - Cooking, dancing or yoga classes
- ... *and more!*

RUN, WALK, OR CYCLE

Ask family and friends to sponsor a dollar amount for every mile you complete.

START A MOVIE OR BOOK CLUB

Choose a list of movies or books to discuss and review together, and ask your family and friends to make a contribution to become a member.

GET CRAFTY

Make and sell your own jewelry or crafts to raise funds.

Do you have a great virtual fundraising idea to add to this list?
